

OTP Hike #275

HIKE FOR MAY 3RD: 9:30  
CHEESEBORO CANYON

Expect: Much beauty, no poison oak, less than 800 ft. elevation change, 8-9 miles length, excellent trails

Getting there: From the Ventura Fwy in Agoura Hills take the Chesebro Road exit onto Palo Comado Road. Turn north around a bend and then north again onto Chesebro Road, a narrow lane that reaches the park entrance in 0.7 mile. If the gate is locked, park and walk to the trailhead. If the gate is open, drive through and park in the lot at the trailhead.
