Take Golden State Freeway, I-5, North toward Valencia.

Take Calgrove exit and turn west under Freeway.

Take old road south about 1/2 mile to entrance on the right.

There are signs to Ed Davis Park located at 24255 The Old Road. Go west on dirt road about 1/2 mile to parking lot on the right.

We go back down the road about 1/4 mile to start hike. For those who want a short hike about 1/8 mile up the trail is Canyon View Loop Trail. It goes back to the parking lot for a hike of just over 2 miles and an elevation gain of about 300'+. The rest of the hike is about 6 miles. We gain about 1000'. The trail is good and not too steep. The view is Great from the top.

There are nice toilets just up from the parking lot. Also table and shade for refreshments.
