THREE POINTS TO TWIN PEAKS SADDLE (OR THEREABOUTS)

DRIVE HWY 2 TO THREE POINT JUNCTION, 2.4 MILES BEYOND (NORTH ) OF CHILAO.

PARK IN THE LOT ON THE LEFT SIDE OF THE HIGHWAY

THE TRAIL STARTS ON THE RIGHT HAND SIDE OF THE HIGHWAY. SO WE LEAVE THE PARKING LOT BY STARTING DOWN THE TRAIL BEHIND THE OUTHOUSE. AND SOON CROSS THE HIGHWAY. NOW THE TRAIL STARTS UP AND UP AFTER GAINING ABOUT 600 FEET THE ROUTE LEVELS OFF AND TRAVERSES AROUND THE LONG, INDENTED SLOPES OF MT WATERMAN. THE DEEP TRENCH OF DEVILS CANYON IS CONSTANTLY IN VIEW TO YOUR RIGHT. THE TRAIL ROUNDS THE MOUNTAIN AND AFTER 5 MILES REACHES A JUNCTION. NOW AFTER GOING 5 MILES DO YOU REALLY WANT TO CLIMB TO THE TWIN PEAKS? -- IF SO, GOOD LUCK. AS FOR MYSELF, 3 MILES IN ON THE TRAIL WILL MOST LIKELY BE A GOOD SPOT FOR LUNCH AND THEN THE RETURN.

GINGER COOKIES WILL BE PROVIDED FOR THOSE WHO BECOME NAUSEATED AT THE THOUGHT OF CLIMBING THE TWIN PEAKS AND CHOCOLATE COOKIES FOR THOSE WHO NEED THE EXTRA SUGAR LIFT TO GET UP THE PEAKS.

I'M NOT SURE ABOUT THE ELEVATION GAIN, -- AROUND 1000 FEET? NOT EVEN THINKING OF THE GAIN WITH TWIN PEAKS

SPRING FLOWERS AND WEATHER SHOULD BE WONDERFUL
